

# COLOR MIX 4K

## YX-320

www.sspworld.com

With full pan & tilt control and CMY mixing, the COLOR MIX 4000 is ideal for large outdoor events. 4 individual power blocks allow control over the total power consumption enabling power saving when weather conditions allow for good visibility. Special cooling design and all-weather casing enable long-term stability for this product.

### Specifications

- |                                 |   |
